

Under the Presidency of His Majesty King Mohammed VI, the 2024 edition of Operation Marhaba starts on Wednesday June 5

Under the Presidency of His Majesty King Mohammed VI, may God assists Him, the Mohammed V Foundation for Solidarity launches the twenty-fourth edition of the Marhaba Operation to welcome Moroccans living abroad, which is held annually from June 5 to 15 September.

This Wednesday, June 5, the Foundation launches the global welcome program, which takes place simultaneously in Morocco, France, Spain and Italy. This program is intended to serve as a platform for the support and assistance for members of the Moroccan community living abroad during the arrival and departure times during the summer. The welcome program is integrated with all the services and measures put in place by the various stakeholders involved in the implementation of this operation.

The Foundation has activated the twenty-four (24) Marhaba Reception Sites where social assistance and medical care services are provided.

Eighteen (18) spaces are operational in Morocco. They are located in the ports of Tanger Med, Tanger Ville, Al Hoceima and Nador, in the airports of Casablanca Mohammed V, Rabat – Salé, Oujda Angad, Nador, Agadir Al Massira, Fès Saïss, Marrakech Menara and Tanger Ibn Battouta, in the Mediterranean, Jebha, Tazaghine and Smir M'Diq Rest Areas as well as at the Bab Sebta and Mellilia border crossings.

Abroad, six (6) Marhaba spaces are located at the European ports of Genoa (Italy), Sète and Marseille (France), Motril, Almeria and Algeciras (Spain).

The humanitarian services available in the Marhaba sites are supplemented by the Central Coordination Office (BCC) which is based in Rabat and is supervised by the Foundation. The BCC provides Marhaba telephone assistance, monitors the daily activity of the operation and ensures that requests are properly handled.

The Marhaba Telephone Assistance is available 7 days a week and 24 hours a day during the operation and can be reached at the following telephone numbers:
